

SpEAC Meeting Minutes

November 17, 2016

David Tate opened the meeting. IEP Direct is now available through Genesis. Progress reports moving online by next semester.

Biostream reports they are starting Play testing with 20 student volunteers next week. They THANK SpEAC for their support.

PARCC review accommodations are on-going to prepare for testing.

Classroom observations are on-going.

Drew Seibel (HS principal) spoke about the Special Olympics grant the district received for United Sports Program. Soccer was offer in the Fall and was very successful. Winter Bowling Season to start soon. Track offered in the Spring.

Diane Doherty spoke about planning for spring SpEAC conference. First planning meeting is Dec 1 @ 7:30pm. Researching Keynote speakers, 3-4 candidates are being considered. Co-Chair is needed. There are several ideas being discussed about changes to the conference.

We are looking to expand SpEAC marketing, any volunteers or ideas?

PACE and SpEAC are looking to work together on a community project. More information to come.

Next meeting December 8, 2016 @ HS Star Center, 9:30am

SpEAC Conference April 8, 2017
