

SpEAC Meeting Minutes

October 13, 2016

Mr. Tate opened the meeting, all transportation issues have been resolved at this point.

Mr. Tate visited all classrooms and things are going well.

IEP Direct link in GENESIS will be live on 10/21 for all district IEP and 504. All Progress reports are included in the link. He is looking into printing options from the link, will update soon.

Reading training is ongoing over the next 2 months for K-6 & 7-8.

Special Olympics grant was approved. Track & Field will be offered in the Spring. Looking into expanding the current music therapy program from the lower levels to WAMS for Late Nov. Tate will report back in November with updates.

Tate mentioned MTPS is hosting several Delran tuition students, which has been very successful and allowed for further opportunities within the district.

Work has begun on next year's budget.

Margie Byrd spoke about additional opportunities that have been offered to the district for HS work study programs through TD Bank and Liberty Mutual.

Presentation given by Biostream Technology. Ben Farber (MTPS grad) working with Center for Autism Research @ CHOP to play test a new game for development of social skills practice, looking for families willing to test. SpEAC will email additional information. MTPS BOE has approved the testing. Testing is completely confidential. If you are interested in being part of the clinical testing, please contact Ben Farber @ bfarber@biostreamtech.com

There is a survey coming soon for SpEAC members.

Next meeting November 17, 2016 @ HS Star Center, 9:30am

SpEAC Conference April 8, 2017
